

This Stipulation and Agreement of Settlement dated June 28, 2019 (the "Stipulation"), is made and entered into by and among the following Settling Parties,¹ by and through their respective counsel of record: (i) plaintiff Benjamin Archer ("Plaintiff"), individually and derivatively on behalf of nominal defendant Roper Technologies, Inc. ("Roper" or the "Company"); (ii) Individual Defendants; and (iii) nominal defendant Roper. This Stipulation is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims, upon Court approval and subject to the terms and conditions set forth herein.

I. BACKGROUND OF THE ACTION AND SETTLEMENT NEGOTIATIONS

Roper is a Delaware corporation with its principal executive offices in Sarasota, Florida. Roper is a technology company that designs and develops software and engineered products and solutions for healthcare, transportation, food, energy, water, education and other niche markets worldwide.

On April 18, 2018, Plaintiff Benjamin Archer filed a stockholder derivative lawsuit in this Court, alleging, among other things, that the Individual Defendants violated their fiduciary duties in connection with the awarding of compensation to Roper's Non-employee Directors and its then-Chief Executive Officer ("CEO"). The complaint sought damages in favor of Roper for the alleged breaches of fiduciary duties and unjust enrichment in connection with the equity compensation awarded to the Non-employee Directors and the then-CEO, changes to Roper's equity award and compensation practices and other relief.

On June 15, 2018, the Individual Defendants moved to dismiss the action on multiple grounds and Roper joined in that motion. Plaintiff opposed Defendants' motion to dismiss. The motion has been fully briefed and was originally set for hearing on November 13, 2018.

¹ All capitalized terms that are not otherwise defined are defined in Section V.1., *infra*.

In September and October 2018, the Parties through their counsel engaged in telephonic settlement discussions. On October 30, 2018, counsel for Plaintiff sent a confidential settlement demand to counsel for the Defendants. The Parties sought and obtained a continuance of the hearing to January 8, 2019 to afford the Parties an opportunity to engage in arm's-length discussions and negotiations concerning a possible resolution of the Action.

Arm's-length negotiations continued through the date set for the hearing on the motion to dismiss. Counsel for the Parties reached an agreement-in-principle for the settlement of the Action on January 8, 2019, as reflected in the MOU executed by counsel for the Parties, and requested that the Court continue the hearing on Defendants' motion to dismiss scheduled for that day in light of the contemplated settlement of the Action.

The Parties continued their efforts to reach agreement on the remaining terms of the Settlement during January 2019 and February 2019. On March 21, 2019, the Parties engaged in a full-day, formal mediation conducted telephonically before the Honorable Jay C. Gandhi (Ret.) (the "Mediator") to negotiate the remaining terms of the Settlement, including the value of the financial benefit to the Company from the reduction in non-employee director equity compensation and the amount of attorneys' fees (inclusive of expenses) to be paid to Plaintiff's Counsel in connection with the Settlement. Prior to the mediation, the Parties submitted and exchanged mediation briefs. While progress was made, the Parties were unable to resolve the matter at that time. Following the mediation, the Mediator continued to work with the Parties over the next few months. In the course of the negotiations, the Mediator issued a proposal that included a recommendation as to an appropriate fee and expense award, which the Parties accepted on June 7, 2019.

Defendants acknowledge that the pendency and prosecution of the Action was the cause

of their decision to enter into the Settlement, including the provisions concerning the future reductions in compensation, the stockholder vote on a non-employee director compensation plan, changes in disclosure, and implementation and maintenance of the corporate governance reforms set forth in Section V below. Defendants acknowledge and agree that the Action was the cause of the future reductions in equity compensation as set forth in paragraph 2.1 and paragraph 2.5. Defendants acknowledge that these reductions in equity compensation confer a financial benefit of \$12,545,146 upon the Company, and that the Settlement consideration confers a substantial benefit upon the Company.

Plaintiff and Defendants have determined that a settlement at this juncture on the terms and conditions set forth in this Stipulation is fair, reasonable, adequate, and in the best interest of Roper and its stockholders. The Board in its business judgment has unanimously approved the Settlement and each of its terms as being in the best interests of Roper and its stockholders.

II. PLAINTIFF'S CLAIMS AND THE BENEFITS OF SETTLEMENT

Plaintiff asserts that he has brought these claims on behalf of Roper in good faith and continues to believe that the claims have merit, and the entry by Plaintiff into this Stipulation is not an admission as to the lack of any merit of any claims asserted in the Action. In negotiating and evaluating the terms of this Stipulation, Plaintiff and his counsel considered, among other factors: (i) the strengths and weaknesses of Plaintiff's claims; (ii) the legal and factual defenses of Defendants; (iii) the time and expense that would be incurred by further litigation; (iv) the uncertainties inherent in, and attendant risks of, litigation; (v) the best interests of Roper and its stockholders; and (vi) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation.

Plaintiff's Counsel has conducted extensive investigation and analysis, including, *inter*

alia: (i) reviewing Roper's press releases, public statements, U.S. Securities and Exchange Commission ("SEC") filings, its financial condition and business prospects, and historical director and executive officer compensation practices; (ii) analysis of compensation practices at the Company's peers; (iii) reviewing related media reports about the Company; (iv) researching applicable law with respect to the claims alleged in the Action and potential defenses thereto; (v) preparing and filing the derivative complaint; (vi) preparing an opposition to the motion to dismiss filed by the Individual Defendants and joined by the Company; (vii) preparing for oral argument on the motion at the January 8, 2019 hearing; (viii) researching corporate governance and director compensation best practices; (ix) researching and preparing correspondence related to the settlement demands; (x) drafting an amended complaint; (xi) drafting a mediation statement, including analysis of financial benefits accruing to the Company through the reforms to the Company's director compensation practices; and participating in a day-long mediation and multiple follow-up discussions; and (xii) negotiating this Settlement with Defendants.

Based on Plaintiff's Counsel's thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, Plaintiff's Counsel believe that the Settlement set forth in this Stipulation is fair, reasonable, and adequate, and confers substantial benefits upon Roper and its stockholders. Based upon Plaintiff's Counsel's evaluation, Plaintiff has determined that the Settlement is in the best interests of Roper and its stockholders and has agreed to settle the Action upon the terms and subject to the conditions set forth herein.

III. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

The Individual Defendants have denied and continue to deny each of the claims, contentions, and allegations made against them or that could have been made against them in the Action, and expressly deny all charges of wrongdoing or liability against them. The Individual

Defendants expressly maintain that they diligently and scrupulously complied with their fiduciary and other legal duties, to the extent such duties exist, that they have meritorious defenses to the claims asserted in the Action, and that judgment should be entered dismissing all claims against them with prejudice. The Individual Defendants also have denied and continue to deny, among other things, the allegations that Plaintiff, Roper, or Roper stockholders have suffered damage or were harmed by the conduct alleged in the Action.

Nonetheless, Defendants have concluded that further litigation of the Action would be protracted and expensive, as well as disruptive to Roper's operations, and that it is desirable and beneficial for Roper and its stockholders that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation. Defendants have entered into this Stipulation because the Settlement would eliminate the burden, expense, and uncertainties inherent in further litigation and would terminate all claims that were asserted or that could have been asserted in the Action, including all claims relating to the Individual Defendants' decisions and actions relating to compensation of Roper's directors and officers. Defendants acknowledge that the Settlement confers substantial benefits on Roper and is fair, reasonable, adequate, and in the best interests of Roper and its stockholders.

Neither this Stipulation, nor any of its terms or provisions, nor entry of the Judgment, nor any document or exhibit referred to or attached to this Stipulation, nor any action taken to carry out this Stipulation, is, may be construed as, or may be used as evidence of the validity of any of the Released Claims or as an admission by or against the Individual Defendants of any fault, wrongdoing, or concession of liability.

IV. BOARD APPROVAL OF THE SETTLEMENT

The Board has unanimously approved the Settlement and each of its terms as being in the

best interests of Roper and its stockholders and has determined that the Settlement provides substantial benefits to the Company and its stockholders, including a financial benefit to the Company of \$12,545,146.

(or any similar, comparable, or equivalent provision of any federal, state, or foreign law, or principle of common law), which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiff acknowledges that he may hereafter discover facts in addition to or different from those now known or believed to be true by him, with respect to the subject matter of the Released Claims, but it is the intention of Plaintiff to completely, fully, finally and forever compromise, settle, release, discharge and extinguish any and all Released Claims, known or unknown, suspected or unsuspected, contingent or absolute, accrued or unaccrued, apparent or unapparent, which do now exist, or heretofore existed, or may hereafter exist, and without regard to the subsequent discovery of additional or different facts. Plaintiff acknowledges, and the Releasing Persons shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for, is an integral element of the Settlement, and was relied upon by each and all of the Defendants in entering into the Settlement.

2. Consideration for the Settlement

In consideration of the Action, the claims asserted by Plaintiff, the efforts of Plaintiff's Counsel in prosecuting the Action, the negotiations with Plaintiff and his counsel, and subject to all of the other terms of this Stipulation, including without limitation the releases set forth in paragraph 5.1, Defendants agree to the following:

2.1 The Company's Board shall adopt a new compensation plan for Non-employee Directors in 2019. The plan will be effective immediately, and will be presented for stockholder approval at the 2020 annual meeting of stockholders. The plan will provide:

a. Each Non-employee Director will receive an annual equity award of restricted stock units ("RSUs") with an economic value of \$665,000, measured by using the volume weighted average closing price for Roper shares over the fifteen trading days ending on the date of grant. One half of the RSUs shall vest six months after the grant date and the remaining RSUs shall vest the day before the next annual meeting of stockholders. No other forms of equity compensation shall be granted to Non-employee Directors;

b. Each Non-employee Director will receive an annual cash retainer of \$60,000;

c. Committee chairs will receive an annual supplemental cash retainer of \$5,000 for each committee chaired;

d. There will be no attendance fees for Board or committee meetings;

e. The term of the plan would run until the end of 2022; and

f. The Company and its Board shall not seek to modify any duly-stockholder approved director compensation plan to increase the equity or cash compensation paid to Non-employee Directors prior to the expiration of said plan.

g. In the event that the stockholders do not vote to approve the proposed new director compensation plan, the Board shall retain an independent director-pay consultant to review Roper's compensation practices and recommend alternatives for the Board to consider. For the avoidance of doubt, the independent director-pay consultant must be (i) different from, and unrelated to, the compensation consultant used for purposes of advising on the Company's named executive officer compensation; and (ii) different from, and unrelated to, the compensation consultant used for advice on any non-employee directors' compensation matters or issues prior to December 2018.

2.2 For 2019, the Board shall elect an independent director as Chairman of the Board and that non-employee director will receive an annual supplemental cash retainer of \$175,000. The responsibilities of the independent Chairman of the Board shall include the following:

a. Determine the schedule and agenda for Board meetings in consultation with other Board members;

b. Coordinate the scheduling of executive sessions of the Board's independent or Non-Employee Directors and set agendas for executive session meetings with input from those directors;

c. Chair all meetings of the Board and lead executive sessions of the Board's independent directors;

d. Determine the appropriate flow of information from management to the Board necessary for the Board to effectively and responsibly perform its functions and specifically to request that certain material be provided to the Board in consultation with other Board members;

e. Coordinate the search for and approve the retention of appropriate consultants to the Board;

f. Coordinate the performance evaluations of Roper's CEO with the compensation committee of the Board and the full Board, and meet with the CEO to discuss the CEO's performance;

g. Act as a liaison between the independent directors and the CEO; and

h. Be available for communication with stockholders, to the extent the Board deems appropriate and in the interests of Roper.

2.3 The proxy statement for the 2020 annual meeting will include disclosures regarding the proposed new director compensation plan in accordance with SEC requirements.

2.4 Future annual proxy statements through the expiration of the proposed new director compensation plan in 2022 will include disclosure of the fair value of the annual non-employee director equity grants in the preceding year.

2.5 The Compensation Committee of the Board shall retain an independent consultant to advise it with respect to the 2019 compensation package for the CEO and continue to do so each year thereafter. For the avoidance of doubt, the independent consultant must be different from, and unrelated to, the compensation consultant used for purposes of advising on the Company's board compensation should shareholders not vote to approve the new director compensation plan per paragraph 2.1(g). Among the matters the Compensation Committee shall consider are the compensation levels and practices of peer-group public companies, private equity companies and capital deployment companies. The Company's annual proxy statements through the end of 2022 will discuss the Compensation Committee's process in considering the compensation package for the CEO, and the role of the independent consultant.

2.6 Defendants acknowledge and agree that the corporate governance measures set forth in paragraph 2 confer a substantial financial benefit on the Company and that the filing and prosecution of the Action was the cause of the decision to implement the corporate governance measures set forth in paragraphs 2.1 to 2.5, and that those measures confer a substantial financial benefit on the Company. Defendants further acknowledge and agree that the future reductions in equity compensation for Non-employee Directors set forth in paragraph 2.1 confer a financial benefit on the Company of \$12,545,146.

2.7 If, in the exercise of its fiduciary duties, the Board determines that it is in Roper's best interests to modify any of the corporate governance measures described above, the Board may enact such modifications (other than modifying any duly-stockholder approved director compensation plan to increase the equity or cash compensation paid to independent directors prior to the expiration of said plan). If the Board makes such a determination, it will notify Plaintiff's Counsel in writing within thirty (30) days thereafter.

3. Approval and Notice

3.1 Promptly after execution of the Stipulation, the Settling Parties shall submit the Stipulation together with its exhibits to the Court and Plaintiff's Counsel shall apply for entry of an order (the "Preliminary Approval Order"), substantially in the form of Exhibit A attached hereto, requesting: (i) preliminary approval of the Settlement set forth in the Stipulation; (ii) approval of the form and manner of providing notice of the Settlement to Current Roper Stockholders; and (iii) a date for the Settlement Hearing.

3.2 Notice to Current Roper Stockholders shall consist of a Notice of Pendency and Proposed Settlement of Stockholder Derivative Action ("Notice"), which includes the general terms of the Settlement set forth in the Stipulation and the date of the Settlement Hearing, substantially in the form attached hereto as Exhibit B.

3.3 Roper shall undertake the administrative responsibility for giving notice to Current Roper Stockholders and shall be solely responsible for paying the costs and expenses related to providing such notice. Within ten (10) calendar days after the entry of the Preliminary Approval Order, Roper shall cause the Notice to be mailed to Current Roper Stockholders. Recipients of the Notice who are nominees or brokers shall be instructed to forward the Notice to their beneficial owners or to provide the notice administrator selected by Roper with a list of names and addresses of beneficial owners within ten (10) business days after receipt of the

Notice. If additional notice is required by the Court, then the cost and administration of such additional notice will be borne by Roper. The Settling Parties believe the content and manner of the Notice, as set forth in this paragraph, constitutes adequate and reasonable notice to Roper stockholders pursuant to applicable law and due process. No later than fourteen (14) calendar days prior to the Settlement Hearing, Defendants' Counsel shall serve on Plaintiff's Counsel in the Action and file with the Court an appropriate affidavit or declaration with respect to dissemination of the Notice.

3.4 Within ten (10) calendar days after entry of the Preliminary Approval Order, Robbins Arroyo shall post copies of the Notice and Stipulation on its website. No later than fourteen (14) calendar days prior to the Settlement Hearing, Plaintiff's Counsel shall serve on counsel in the Action and file with the Court an appropriate affidavit or declaration with respect to posting copies of the Notice and Stipulation on Robbins Arroyo's website.

3.5 Pending the Court's determination as to final approval of the Settlement, the Parties agree not to litigate this Action further and not to initiate any other proceedings other than those incident to the Settlement itself.

3.6 The Parties will request the Court to order (in the Preliminary Approval Order) that, pending final determination of whether the Settlement should be approved, Plaintiff and all Current Roper Stockholders are barred and enjoined from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any action asserting any Released Claim against any of the Released Persons.

4. Attorneys' Fees and Reimbursement of Expenses

4.1 In recognition of the substantial benefits conferred upon Roper as a direct result of the prosecution and Settlement of the Action, Roper will pay or cause to be paid Plaintiff's attorneys' fees and expenses in the agreed-to amount of \$1,900,000, subject to Court

approval (the "Fee and Expense Amount"). The Fee and Expense Amount shall constitute final and complete payment for Plaintiff's attorneys' fees and expenses that have been incurred or will be incurred in connection with the Action. The Fee and Expense Amount shall be paid via a wire transfer to Robbins Arroyo within ten (10) business days of the entry of the Judgment, subject to Robbins Arroyo first providing wire instructions and an executed Form W-9. Defendants and their insurers shall have no liability or responsibility for the allocation of the Fee and Expense Amount among Plaintiff's Counsel.

4.2 The Settling Parties further stipulate that Plaintiff's Counsel may apply to the Court for a service award of up to \$5,000 for Plaintiff, only to be paid upon Court approval, in recognition of Plaintiff's participation and effort in the prosecution of the Action (the "Service Award"). The failure of the Court to approve any requested service award, in whole or in part, shall have no effect on the Settlement set forth in the Stipulation. The Service Award, if approved by the Court, shall be paid to Plaintiff from the Fee and Expense Amount. Defendants shall not be liable for any portion of any Service Award.

4.3 Approval of Plaintiff's request for a fee and expense award shall not be a condition of the Settlement. Any order or proceedings related to Plaintiff's request for the Fee and Expense Amount or any appeal from any order relating thereto or any modification thereof shall not operate to terminate or cancel this Stipulation, and shall not affect the Judgment approving this Stipulation or prevent the Settlement from becoming Final.

4.4 In the event that the Judgment fails to become Final as defined in paragraph 1.8 herein, then it shall be the joint and several obligation of Plaintiff's Counsel to refund to the Defendants any attorneys' fees and expenses previously paid, within ten (10) business days after receiving notice from Defendants' Counsel or from a court of appropriate jurisdiction.

4.5 Except as provided in paragraph 4.1 herein, Defendants shall have no obligation to pay or reimburse any fees, expenses, costs, or damages alleged or incurred by Plaintiff, by Roper stockholders, or by their attorneys, experts, advisors or representatives with respect to the Action or the Released Claims.

5. Releases

5.1 Upon the Effective Date, the Releasing Persons shall be deemed to have fully, finally, and forever released, relinquished, and discharged the Released Claims (including Unknown Claims) against the Released Persons, as well as any and all claims against the Released Persons arising out of, relating to, or in connection with the defense, settlement, or resolution of the Action. Nothing herein shall in any way impair or restrict the rights of any Settling Party to enforce the terms of the Stipulation.

5.2 Upon the Effective Date, each of the Defendants shall be deemed to have fully, finally, and forever released, relinquished, and discharged Plaintiff and Plaintiff's Counsel from all claims (including Unknown Claims), arising out of, relating to, or in connection with the institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims. Nothing herein shall in any way impair or restrict the rights of any Settling Party to enforce the terms of the Stipulation.

6. Conditions of Settlement, Effect of Disapproval, Cancellation or Termination

6.1 The Effective Date of this Stipulation shall be conditioned on the occurrence of all of the following events:

a. Approval of the Settlement and approval of the method of providing the Notice to Current Roper Stockholders, and following the dissemination of the Notice to Current Roper Stockholders, as set forth in paragraphs 3.2 to 3.4;

b. Entry of the Judgment, in all material respects in the form set forth as

Exhibit C annexed hereto, approving the Settlement without awarding costs to any party, except as provided herein, and dismissing the Action with prejudice; and

c. The passing of the date upon which the Judgment becomes Final.

6.2 If any of the conditions specified above in paragraph 6.1 are not met, then the Stipulation shall be canceled and terminated subject to paragraph 6.3, unless counsel for the Settling Parties mutually agree in writing to proceed with the Stipulation.

6.3 If for any reason the Effective Date of the Stipulation does not occur, or if the Stipulation is in any way canceled, terminated, or fails to become Final in accordance with its terms: (a) all Settling Parties and Released Persons shall be restored to their respective positions in the Action as of January 8, 2019; (b) all releases delivered in connection with the Stipulation shall be null and void, except as otherwise provided for in the Stipulation; (c) any Fee and Expense Amount paid shall be refunded within ten (10) business days; and (d) all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Settling Parties, shall not be deemed or construed to be an admission by a Settling Party of any act, matter, or proposition, and shall not be used in any manner for any purpose in any subsequent proceeding in any other action or proceeding. In such event, the terms and provisions of the Stipulation shall have no further force and effect with respect to the Settling Parties and shall not be used in the Action or in any other proceeding for any purpose.

6.4 Each of Defendants shall have the right to withdraw from the Settlement in the event that any claims related to the subject matter of the Action are commenced or prosecuted against any of the Released Persons in any court before final approval of the Settlement and (following a motion by the Defendants) such claims are not dismissed with prejudice or stayed in contemplation of dismissal. In the event such claims are commenced before the entry of the

Judgment, the Parties agree to cooperate and use their reasonable best efforts to secure the dismissal (or a stay in contemplation of dismissal following final approval of the Settlement) thereof.

7. Bankruptcy

7.1 In the event any proceedings by or on behalf of Roper, whether voluntary or involuntary, are initiated under any chapter of the United States Bankruptcy Code, including any act of receivership, asset seizure, or similar federal or state law action ("Bankruptcy Proceedings"), the Settling Parties agree to use their reasonable best efforts to obtain all necessary orders, consents, releases, and approvals for effectuation of the Stipulation and Court approval of the Settlement in a timely and expeditious manner. By way of example only, the Settling Parties agree to cooperate in making applications and motions to the bankruptcy court for relief from any stay, approval of the Settlement, authority to release funds, authority for the Defendants' insurer(s) to disburse insurance proceeds consistent with the Stipulation, authority to release claims and indemnify officers and directors, and authority for the Court to enter all necessary orders and judgments, and any other actions reasonably necessary to effectuate the terms of the Settlement.

7.2 If any Bankruptcy Proceedings by or on behalf of Roper are initiated prior to the payment of the Fee and Expense Amount, the Settling Parties shall agree to seek an order from the bankruptcy court presiding over such Bankruptcy Proceedings: (i) either lifting the automatic stay for the limited purpose of authorizing such payment, or finding that the payment of the Fee and Expense Amount by the Defendants and/or their insurers under their respective policies or related compromise of coverage does not violate the automatic stay; and (ii) finding that the payment of the Fee and Expense Amount by the Defendants and/or their insurers under their respective policies or related compromise of coverage does not constitute a preference,

voidable transfer, fraudulent transfer, or similar transaction. In addition, in the event of any Bankruptcy Proceedings by or on behalf of Roper, the Settling Parties agree that all dates and deadlines in the Action, if any, or any dates and deadlines associated with the appeal of the Action, if any, will be extended for such periods of time as are necessary to obtain necessary orders, consents, releases, and approvals from the bankruptcy court to carry out the terms and conditions of the Settlement.

8. Miscellaneous Provisions

8.1 The Settling Parties: (a) acknowledge that it is their intent to consummate this Stipulation; and (b) agree to act in good faith and cooperate to take all reasonable and necessary steps to expeditiously implement the terms and conditions of the Stipulation.

8.2 The Settling Parties intend this Settlement to be a final and complete resolution of all disputes between them with respect to the Action. The Settlement comprises claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim, allegation, or defense. The Settling Parties and their respective counsel agree that at all times during the course of the Litigation, each has complied with the requirements of the applicable laws and rules of the Court.

8.3 The Stipulation may be modified or amended only by a writing signed by the signatories hereto.

8.4 The Stipulation shall be deemed drafted equally by all the Settling Parties.

8.5 No representations, warranties, or inducements have been made to any of the Parties concerning the Stipulation or its exhibits other than the representations, warranties, and covenants contained and memorialized in such documents.

8.6 Each counsel or other Person executing the Stipulation or its exhibits on behalf of any of the Settling Parties hereby warrants that such Person has the full authority to do so.

8.7 The exhibits to this Stipulation are material and integral parts hereof and are fully incorporated herein by this reference.

8.8 This Stipulation and the exhibits attached hereto constitute the entire agreement among the Settling Parties with respect to the subject matter hereof and supersede all prior and contemporaneous oral and written agreements and discussions.

8.9 In the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit hereto, the terms of this Stipulation shall prevail.

8.10 The Stipulation may be executed in one or more counterparts, including by signature transmitted by facsimile or e-mailed PDF files. Each counterpart, when so executed, shall be deemed to be an original, and all such counterparts together shall constitute the same instrument.

8.11 The Stipulation shall be considered to have been negotiated, executed and delivered, and to be wholly performed, in the State of Florida, and the rights and obligations of the Parties to the Stipulation shall be construed and enforced in accordance with, and governed by, the internal, substantive laws of the State of Florida without giving effect to that State's choice of law principles.

8.12 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Stipulation, and the Settling Parties and their counsel submit to the jurisdiction of the Court solely for purposes of implementing and enforcing the Settlement embodied in the Stipulation.

IN WITNESS WHEREOF, the Settling Parties have caused the Stipulation to be executed by their duly authorized attorneys.
